

Assessment

Product Overview

Who is BLOSS Southern Africa?

BLOSS SA is a niche' consultancy focused on improving organisational and people effectiveness.

This is achieved through a blend of assessment, consulting and technology solutions. Our core lines of business are **Psychometric, Capability and Gamified Assessments, Talent Management, Nature of Work Reviews, Change Management and Structural and Talent Analytics.**

We have been successfully providing our products, services, and technology to clients since 1989 and our client base has steadily grown to over 200. We have offices in Johannesburg and Cape Town and associate consultants in various local and global geographies.
