Situational Judgment Test – Supervisor

What is it?

Effective supervisors need to have excellent employee relation skills. They must be able to motivate their staff and have team building abilities. They must also have excellent problem-solving skills and must be able to plan and organize effectively. Without these essential characteristics among its leadership staff, an organization is likely to run into serious problems with respect to company morale, focus, productivity, and overall performance.

What Competencies Does It Assess?

- Communication
- Team Orientation
- Conscientiousness
- Motivation
